Rs 10 each for purely Sanskrit study in the Colleges at Bangalore & Mysore will cost Rs 4560/- per annum. Of these, the last four Scholarships are proposed by the Mysore Supdt to be kept under his control and leave the first two to the Sangha.

3. Thus, the total amount to be controlled by the Sangha will be Rs 96 + 544 = Rs 640 and the Mysore Supdt lays down the conditions under which it should be controlled —

4. A copy of the rules of the Sangha has not been furnished. The objects of the Sangha have not also been specified.

5. It may, perhaps, be necessary to know whether the Matt can conveniently contribute the sum promised by the Swamigalu.

6. It may also be necessary to have proposals from the Sangha as to how they mean to utilize the sum of Rs 640 annually. Subd for orders. 7. This will be an additional recurring expenditure to the Matha, for a period of 10 years in the first instance. As may the Supdt's proposals be which have been made after due consultation with one of the Secretaries

the financial position of the Matha is given at length which shows that the Matha has an estimated Surplus of Rs 5000 a year. This is by no means a large one looking at the large concerns of the Matha and the improvements which have still to be undertaken.

11 The Swamiji also has however promised a contribution of Rs 1000 per annum out of the funds in aid of education, part to be utilized for Sanskrit education and the remaining for the support of the objects of the Brahmavidya Sahaya Sangha, a movement which has recently come into existence for helping the deserving but poor students of that community. As the contribution is in furtherance of a laudable object I have recommended its sanction but I have limited its currency for ten years or during the lifetime of the Swamiji whichever is shorter. It may perhaps be better to still further limit it to say 5 years and omit all mention of Swamiji's lifetime on sentimental grounds.

From

G. ARAVAMUDU IYENGAR, Esquire, B.A., B.L.,
THE MUZRAI SUPERINTENDENT
IN MYSORE.

To

D. M. Narasinga Rao, Esquire, B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

I have the honour to submit herewith for favour of orders a Srimukha dated 3rd July 1915 from the Swamigalu of Sri Vyasaraya Matha intimating that an annual contribution of Rs.1000/- to the funds of the Brahmana Vidya Sahaya Sangha has been promised by him from the Matt and requesting that the Government may be pleased to accord sanction to the same, subject to certain limitations and conditions.

2. As the Sangha had not been fully inaugurated and rules for its guidance framed, I was unable to submit my recommendations in the matter until now. The rules of the Sangha have since been received and I had also the benefit of a personal discussion with Mr. C. Srinivasa Rao, one of the joint Secretaries of the

Sangha and Mr. T. Lakshminarasimha Rao, a member of the Managing Committee.

3. The Swamigalu desires to include within the grant, certain specific scholarships already promised by his predecessor, the late Sri Vidya Ratnakara Tirtha Swamigalu. These are

(1) Two scholarships of the value of Rs.4/- per month confined to the Matt disciples who may be studying for the Matriculation with Sanskrit as optional language.

(2) Two scholarships of the value of Rs.5/- each tenable at the Sanskrit Colleges at Mysore and Bangalore to a student studying Tatva Prakasika.

(3) Two scholarships of Rs.10/- each under the same conditions to a student studying Sudha.

4. These scholarships will absorb a sum of Rs.456/- per annum and in addition it is now proposed to make an annual grant of Rs.544/- from the Matt funds to the Sangha in furtherance of its object. In so doing the Swamigalu desires that periodical reports may be obtained by Government from the Sangha authorities to see that the contribution is properly utilized and that the administration of the Sangha is conducted on sound and impartial lines.

5. As under the rules of the Sangha, stipends are to be given only to students who have passed the School Final Course and in special cases the Lower Secondary Examination, it is obvious that the Sangha cannot administer the four scholarships tenable at the Sanskrit Colleges. These scholarships may be left under my control, nomination to them being made in consultation with the Head Masters of the institutions and in accordance with any expressed wishes of the Swamigalu. Leavin

out Rs.360/- on this account, there is no objection to place the balance of Rs.640/- under the control of the Sangha subject to the following conditions:--

(1) That the stipendiary students benefitting by this contribution should be called Sri Vyasaraya Matt scholars and should bring up Sanskrit as their optional language.

(2) That the stipends may be apportioned in any manner by the Sangha but the whole of the contribution should be utilized within the year.

(3) That two scholarships of the value of Rs.4/- each should be held by Sishyas of the Vyasaraya Matt studying for the Matriculation or in the School Final Classes.

(4) That an annual report should be submitted by the Sangha authorities to Government regarding the utilization of the Matt contribution and showing the name of the recipients.

(5) That the grant should be in force for a period of ten years with effect from the next scholastic year or during the life time of the present Swamigalu whichever is shorter.

(6) That the contribution should be made payable to the Sangha and the Muzrai Superintendent at the beginning of April in each year, so that the scholars may be chosen with due deliberation.

I have the honour to be,
Sir,
Your most obedient servant,

Muzrai Superintendent.
